HEICO – OVER ONE CENTURY OF EXPERIENCE

Since 1900, the HEICO Group has been providing reliable solutions in the field of fastening technology and can thus draw on over 100 years of experience. The company manufactures high-quality upholstery and furniture nails, logo nails, furniture glides, nailhead strips, ply-grips, special tacks, security nails as well as a wide range of other products which are distributed via our branches located throughout the world.

Whenever individuality is in demand our products are used on modern as well as traditional furniture. This is why the HEICO Group is appreciated by a steady growing customer base in the furniture industry and the craft sector.

Today, upholstery and furniture nails are not only traditional fastening elements but are also widely used as decorative and high-class design elements.

Our range has continuously extended over the years and reflects this development. The large variety of forms and our ability to offer many different surfaces and finishes on our products allow our customers to manufacture durable and valuable upholstered furniture for each taste and style.

By using upholstery and furniture nails as special style elements you can give your products an individual touch and make them stand out against the mainstream.
